All,

As most of you know, next Tuesday, March 26, at 2:30 pm Pacific/5:30 pm Eastern, an *en banc* panel of the 9th Circuit Court of Appeals will receive oral argument on the rehearing of LULAC's challenge to EPA's March 2017 denial of the 2007 PANNA/NRDC petition to revoke all chlorpyrifos tolerances and cancel all chlorpyrifos registrations. Deputy Assistant Attorney General Jonathan Brightbill will be arguing on behalf of EPA. The following judges will serve on the *en banc* panel: THOMAS, Chief Judge, and McKEOWN, WARDLAW, PAEZ, BEA, CHRISTEN, NGUYEN, WATFORD, OWENS, FRIEDLAND, and BENNETT, Circuit Judges. My understanding is that each side has been allotted 30 minutes for argument.

The hearing should be available for live-streaming via the 9th Circuit's website at https://www.ca9.uscourts.gov/media/live_oral_arguments.php

For background, I've attached EPA's petition for rehearing and Petitioners' response.
